CYCLE YOUR FARES AWAY — ON A RALEIGH FROM Currys LTD.

Choose your hub from this complete range

These hubs have the following exclusive refinements: ALLOY SHELL—one-third the weight of steel. SPLINED SPROCKETS—which enable you to alter gear range easily and quickly. WING NUTS. QUICK RELEASE FITTINGS.

DYNOHUBS

AG Wide Ratio Three-Speed gear, combined patent 6 volt Dynohub.

GH.6 Patent 6 volt Dynohub. Like all our Dynohubs it is absolutely trouble free and mechanically frictionless.

FW Wide Ratio Four-Speed gear, combined patent 6 volt Dynohub. By combining the gear and Dynohub in one unit, a great saving in weight is made.

HEADLAMP & REARLAMP. The headlamp is fully enclosed and of pleasing shape. It is supplied in either Black or Silver Enam. The Rear light is unique in its simplicity and appearance.

CLUB

AM Three-Speed Medium Ratio 15.55% increase, 13.46% decrease from normal. Ideally suitable for Sports machines.
ASC The only Three-Speed Fixed Hub manufactured in the world today 10% and 25% decrease from direct drive.

FM Four-Speed Medium Ratio. 12.5% increase 14.3% and 31% decrease from normal. Unquestionably the best all-round Club gear.

ROADSTER

FW Four-Speed Wide Ratio. The great advantage of this Hub against the corresponding three-speed, lies in the fact that there are two normal gears. Ratios give 26.6% increase, 21% and 33% decrease from normal. There is no doubt that this is THE Hub of the future, as far as Roadster machines are concerned.

AW Three-Speed Wide Ratio. 33% increase, 25% decrease from normal. Specially suitable for Roadster machines.

ABC Three-Speed Wide Ratio incorporating hand operated internal expanding brake machines.

RACING GEARS

AC Three-Speed Ultra Close Ratio 6.66% increase and 7.7% decrease from normal.

FC Four-Speed Close Ratio 9.1% increase, 10% and 25% decrease from normal. Specially designed for Massed Start Races.

Due to the scarcity of materials we reserve the right to supply Hexagon Nuts in lieu of Wing Nuts.

The Sturmey-Archer Patent "Flick" Trigger Control provides an instantaneous change of gear by the flick of a finger.

Note the visual gear indication.

REARLAMP.

DRY BATTERY UNIT. This is available with any of the Dynohubs illustrated above. With the aid of three batteries it provides a light when stationary.

RALEIGH "WINKIE" TRICYCLE

Let your Kiddy learn to ride on a Raleigh Winkie Tricycle. Yes, 'Junior' will be proud to own this sturdily built and beautifully finished tricycle.

Fitted with Dunlop "Airsprung" puncture-proof tyres (pneumatic available at slight extra charge); front metal basket, chainguard and toolbag. Finished in a choice of two attractive colours—Bright Red or Worcester Blue with White mudguards. Remember, too, that all Winkie owners can become members of the Circle of Silver Knights

With "Airsprung" tyres. Cash Price £11.17.6
With pneumatic tyres. Cash Price £12.10.0

THE CIRCLE OF SILVER KNIGHTS

This beautiful silver badge—in handsome case, is available to all "Winkie" tricycle owners.

An illuminated scroll is presented immediately on enrolment, and riders receive their badge after 12 months' membership. This interesting idea was brought about to encourage youngsters to learn and practice road safety, right from the beginning. And how proud they feel to be known as "Shield-bearers" of the Circle of Silver Knights.
